Consider All Factors (C.A.F)

Scenario/Idea/Issue to be discussed:

Idea 1:
  • Advantages:
  • Disadvantages:
  • Interesting Points:

Idea 2:
  • Advantages:
  • Disadvantages:
  • Interesting Points:

Idea 3:
  • Advantages:
  • Disadvantages:
  • Interesting Points:

What idea will you pick and why?
1. Think of as many options as you can and write them down.
2. Select the three you feel are the best for the task.
3. Can you explain your reasons for choosing them?
4. Decide on ONE that you think is the very best.
5. What do you think will happen when you try this option?
6. Is there a chance that anything will go wrong? What?
