Eighteenth Census of the United States: 1960, Housing

**Vol. 1:** States and Small Areas, in 9 vols.
- Pt. 1 contains data for the United States, Regions, Divisions, States, SMSAs, Urban/Rural, Places 100,000+, Places 50,000+
- Pts. 2-9 present data for States and for Puerto Rico, Guam, and Virgin Islands. State data is given in a series of 39 tables covering:
  - Inventory
  - Occupancy characteristics
  - Structural characteristics
  - Condition and plumbing facilities
  - Equipment and fuel
  - Financial characteristics

**Vol. 2:** Metropolitan Housing, in 7 vols.
- Pt. 1 contains data for the United States and Divisions in 14 tables on:
  - Value of owner-occupied units
  - Gross rent of renter-occupied units
  - 1959 Income of families and renters
  - Condition and plumbing facilities
  - Number of rooms
  - Units in structure
  - Household composition
  - Occupied units lacking specified facilities
  - Duration of vacancy
  - Rent asked for vacant units
  - Value of owner-occupied units with nonwhite household heads
  - Gross rent for units with nonwhite household heads
  - 1959 Income of families and renters, nonwhite household heads
  - Condition and plumbing facilities in units with nonwhite household heads
- Pts. 2-7 present data for SMSAs and Places 100,000+. SMSA data is given in a series of 10 tables. Tables with nonwhite family data, reported for the nation and divisions, are not given for SMSAs

**Vol. 3:** City Blocks, in 421 reports.
- Covers cities with 50,000+ population, and some smaller localities which arranged for compilation of block statistics. Data is in two tables for each place:
  - Housing unit characteristics for the city
  - Housing unit characteristics by blocks
- Data is reported on:
  - Condition and plumbing
  - Tenure
  - Color: white/black
  - Persons per room
  - Average number of rooms
  - Value or Rent
At NCSU, several reports were bound together in hardback volumes, with block maps grouped in a pocket at the back of each volume

Vol. 4: Components of Inventory Change, 1950-1959, in 46 reports
  Pt. 1A (in 18 reports), 1950-1959 Components
