CRL Print Archiving Programs

• The PAN Meeting
• PAPR Registry
• Project Ceres
• Recent CRL Meetings
What is a shared print program?

A shared collection for the long term.

• Reduces the burden on individual libraries.
• Secures access for users.
Looking at Print Archive Agreements

Out of 10 Programs in the PAPR Directory 3 didn’t have formal agreements.

…without a formal agreement what do you have?

Print archiving requires time, resources and a commitment to the long term.
Components of Print Archive Agreements

- Governance
- Costs
- Standards
- Terms
Governance

- Who takes responsibility for the program?
- What is the decision-making body?
Costs

- Facility(s)
- Staff Time
- Incidentals
Standards

• Processing of material
• Facility Conditions
Terms

- Commitment to a Level of Risk
- Time Periods
Ownership & Rights

• Who owns the content

• Copyright and digitization
Content

- What are you archiving
- Withdrawal policy
- Replacement policy
- Validation and Gaps policy
Workflows

- Best Practices vs. Local Practices
- Program Requirements
Facility

- Environmental conditions
- Location
Disclosure and Resource Sharing

- Where will Records be discoverable?
- Terms for Access to the Archived Content
Beyond the Agreement

• How will you ensure the agreement is not forgotten?
• Where will you put the agreement?
• Leveraging the group’s work
