Google Scholar and “FindIt@UT” – Security Message

You may encounter a problem with the security certificate when using the FindIt@UT tool in Google Scholar.

1. This or a similar message is what you will see. (Note: this example is with the Google Chrome browser). Click on the “Advanced” button:

![Advanced button](image)

2. Click on the Serials Solutions link that is provided. (Yes, it is safe.)
